O R D E R

On January 24, 1994, USX Consultants, Inc. ("USA Consultants") filed with the Commission an application for a Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interLATA and intrastate intraLATA telecommunications services within the Commonwealth of Kentucky. In its filing, USX Consultants requested a deviation from the requirements of 807 KAR 5:011, Section 2.

807 KAR 5:011, Section 2, requires two cover letters and four copies of the proposed tariff. The information required by the regulation is critical to the Commission's complete review of USX Consultants' filing. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that USX Consultants' request to deviate from the requirements of 807 KAR 5:011, Section 2, should be denied.

IT IS THEREFORE ORDERED that:

1. USX Consultants' request for a deviation from the requirements of 807 KAR 5:011, Section 2, be and it hereby is denied.

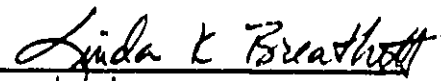

2. USX Consultants shall file all information required by 807 KAR 5:011, Section 2, no later than 10 days from the date of this Order. If said information is not filed within such time, USX Consultants' filing will be rejected and this case dismissed without further Order of the Commission.

Done at Frankfort, Kentucky, this 9th day of February, 1994.
